The next 12 months

What you'll do

You'll work with your state teams to do your **action plans**

- **Don't worry:** if your action plan isn't ready yet, we can help you finish it up

We'll have **monthly meetings** on the 4th Monday of every month to talk about how things are going and to help each other out

- First monthly meeting is **January 22**

We'll ask you to **invite us** to presentations or activities that you've planned, so that we can see you in action

You should **reach out to us** if you want help with something at any time during your ambassadorships
